DETAILED ACTION

Claims 1-20 are currently presented in the instant application according to the Applicant's filing on 07/30/2003.

Allowable Subject Matter

1. Claims 1-20 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The closest prior art fails to disclose or fairly suggest:

a) A differential-to-single-ended converter with a latch circuit having a first input coupled to an output of a first D flip-flop and a second input coupled to an output of a second D flip-flop, in which a rising edge on an output of the D first flip-flop causes an output of the latch to change state and a rising edge on an output of the second D flip-flop causes the latch output to change state, in combination with the remaining claimed limitations, as called for in claim 1; or

b) A phase-locked loop circuit with a latch circuit having a first input coupled to an output of a first D flip-flop and a second input coupled to an output of a second D flip-flop, in which a rising edge on an output of the D first flip-flop causes an output of the latch to change state and a rising edge on an output of the second D flip-flop causes the latch output to change state, in combination with the remaining claimed limitations, as called for in claim 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
